Jerry,

I'm glad I met you this year. You're a pretty cool guy. Good luck with what you want to do. Have a great summer and an even better Jr. year. Oh, and don't meet more girls than I do. You'll ruin my reputation.

P.S.

I told you that U2 was the best.

Take it easy,

Pep Comm. Mascots

Pep Commissioner, Cyndi Iannone:

Alta Loma High has had spirit in the past, but this year the spirit was at an all time high. The enthusiasm at our sporting events, was great. Students, Parents and advisors gave much needed support to our athletic teams and stood behind them cheering our teams to successful seasons.

Without the support from all who helped develop new ideas and build excitement, all that has been accomplished would not have been possible.

Thank you for selecting me as your Pep Commissioner.

Mascots, Shannon Guith, Sharron Strnad:

Being an Alta Loma mascot is an exciting way to get involved with school and the proud Brave spirit. Along with meeting new people, I have also learned the importance of each sport, and the fighting spirit in each Brave athlete.

I hope I have succeeded in sharing my enthusiasm for this school with those who attended the games, rallies, and other events. More importantly, I wish I could share the special feeling that Pep Squad has given me. School spirit and pride comes from being involved and it is a unique thing that everybody should experience before they graduate from high school.

Thank you, Sharron Strnad

Jerry,

It's been great sitting in front of you in such a terrific class like biology. You don't talk much but when you do, you prove how smart & caring you are. Don't ever change & don't let anyone take advantage of you.

Jerry,
I'm glad I got to meet you this year
and I hope we get some classes
together next year.

Your friend
Ron Hall '87"

V.I.P.

Principal's Message

Congratulations, Class of '85!

You have made it! After a long stretch of continuous schooling you are ready to close this chapter of your lives and begin another. This is a very special landmark in your life. The classmates you have shared your school experiences with are special. Now you will go your separate ways.

Congratulations for completing your required schooling. Your teachers and the entire staff of ALHS wish you well as you go from here. Hopefully we have given you good preparation for what comes next.

After a few years, don't overlook your old school. Let us know what helped you and what we can do better for those who follow you in "The Land of the Braves."

Three cheers for the class of '85!

The DAR Citizenship Award was presented to Darren Kettle this year. Darren was President of the Junior Class and is presently ASB President. He has been on Varsity Wrestling, Football, and Badminton. Darren's faithful dedication to our school has led him to become the President of Region 12 of the California Association of Student Councils.

David Stuit has the distinction of being chosen a National Merit Scholar, an honor for which he received a \$3,000 scholarship. He is a member of the Cum Laude Society and the Principals Honor Roll. He has life membership in CSF, and is this year's president. Other awards granted David are the MAA awards for three years and a math certificate in the Bank of America competition. As co-editor in chief David is very proud.

Times staff received the Sweepstakes award at the I.J.E.A. writing competition. David was granted early admission to Harvey Mudd College where he hopes to major in mathematics.

Presidents Message

While looking back on the 1984-1985 school year, I am pleased with the successful and exciting school year we have had. It was a pleasure to work with a group of officers that were well-organized. This was not just the A.S.B. officers but all of the class officers as well. I would like to thank all the people who were involved in our activities to make our school better, and give us a year that we will want to remember in years to come. We have made some great accomplishments this year. We have made improvements for our school with the new sound system and we have helped out our community with two successful blood drives. Alta Loma High School is truly something to be proud of. I hope the feeling can be shared by students, faculty, and administrators alike. The students who follow the graduating seniors, please work hard at keeping the school a place we would all like to look back to. One last thank you to the student body is for giving me the opportunity to be your Student Body President.

ATHLETIC

The Athletic Booster Club provides money for the purchase of equipment for the students in the various athletic programs. Through fund raisers the Athletic Booster Club raises money.

BAND BOOSTERS

The Band and combine units booster club consists of parents of band, tall flags and drill team students. The purpose of the group is to encourage and assist the units during the year at their performances. The parents help get instruments, props, and uniforms ready to go for competitions. The Booster Club assists through fund raisers in the purchase of new instruments, uniforms and supplies that are needed by the marching units. Being able to see the Alta Loma Marching Band and combine units to perform in competition is the reward for the time and effort put in.

BOOSTERS

The Athletic Booster Club is made up of dedicated volunteers. They have a lot of different fund raisers throughout the year to raise up the amount of money needed. They are golf tournaments, bingo, and food sales at AYSO soccer.

PTSA

The PTSA is a fund raising group that consists of dedicated volunteers. They assist in various events to help the school. They have over 3000 service hours. This group helps with giving out the ASB cards, they give 4-\$200 scholarships for the seniors, and many more events throughout the year.

Foreign Exchange

ll to Rl: Oliver Jurgens, Camilla Jagemalm, Claudia Merbeth, Gil Ortiz (advisor), Bethina Viereck, Annette Schmitko, Johan Backman.

THE FOREIGN EXCHANGE STUDENT PROGRAM

"Each year we are fortunate to have students from other countries spend the school year with us. This year has been no exception. Germany has sent us the majority of our foreign exchange students (4); we also have one from Sweden, and one from Finland. The six students have had little or no difficulty in adjusting to the unique American Culture of Southern California.

An often overlooked aspect of the foreign exchange experience is the fact that for every student we host in our country, one of our students stay in their home country. Perhaps you know of someone who has had the honor of representing our country (hometown, school, etc . . .) in a foreign place."

Advisor
Gil Ortiz

WHERE DID IT GO

Where did all the time go,
Or is it really gone.
Do our memories really die,
Or do they linger on.

Watching our tomorrow
Become our yesterday,
And all the brilliant dreams we had
Quietly fade away.

Where did all the good times go,
Do they become our past,
Or do we keep them in our hearts,
To make the feeling last.

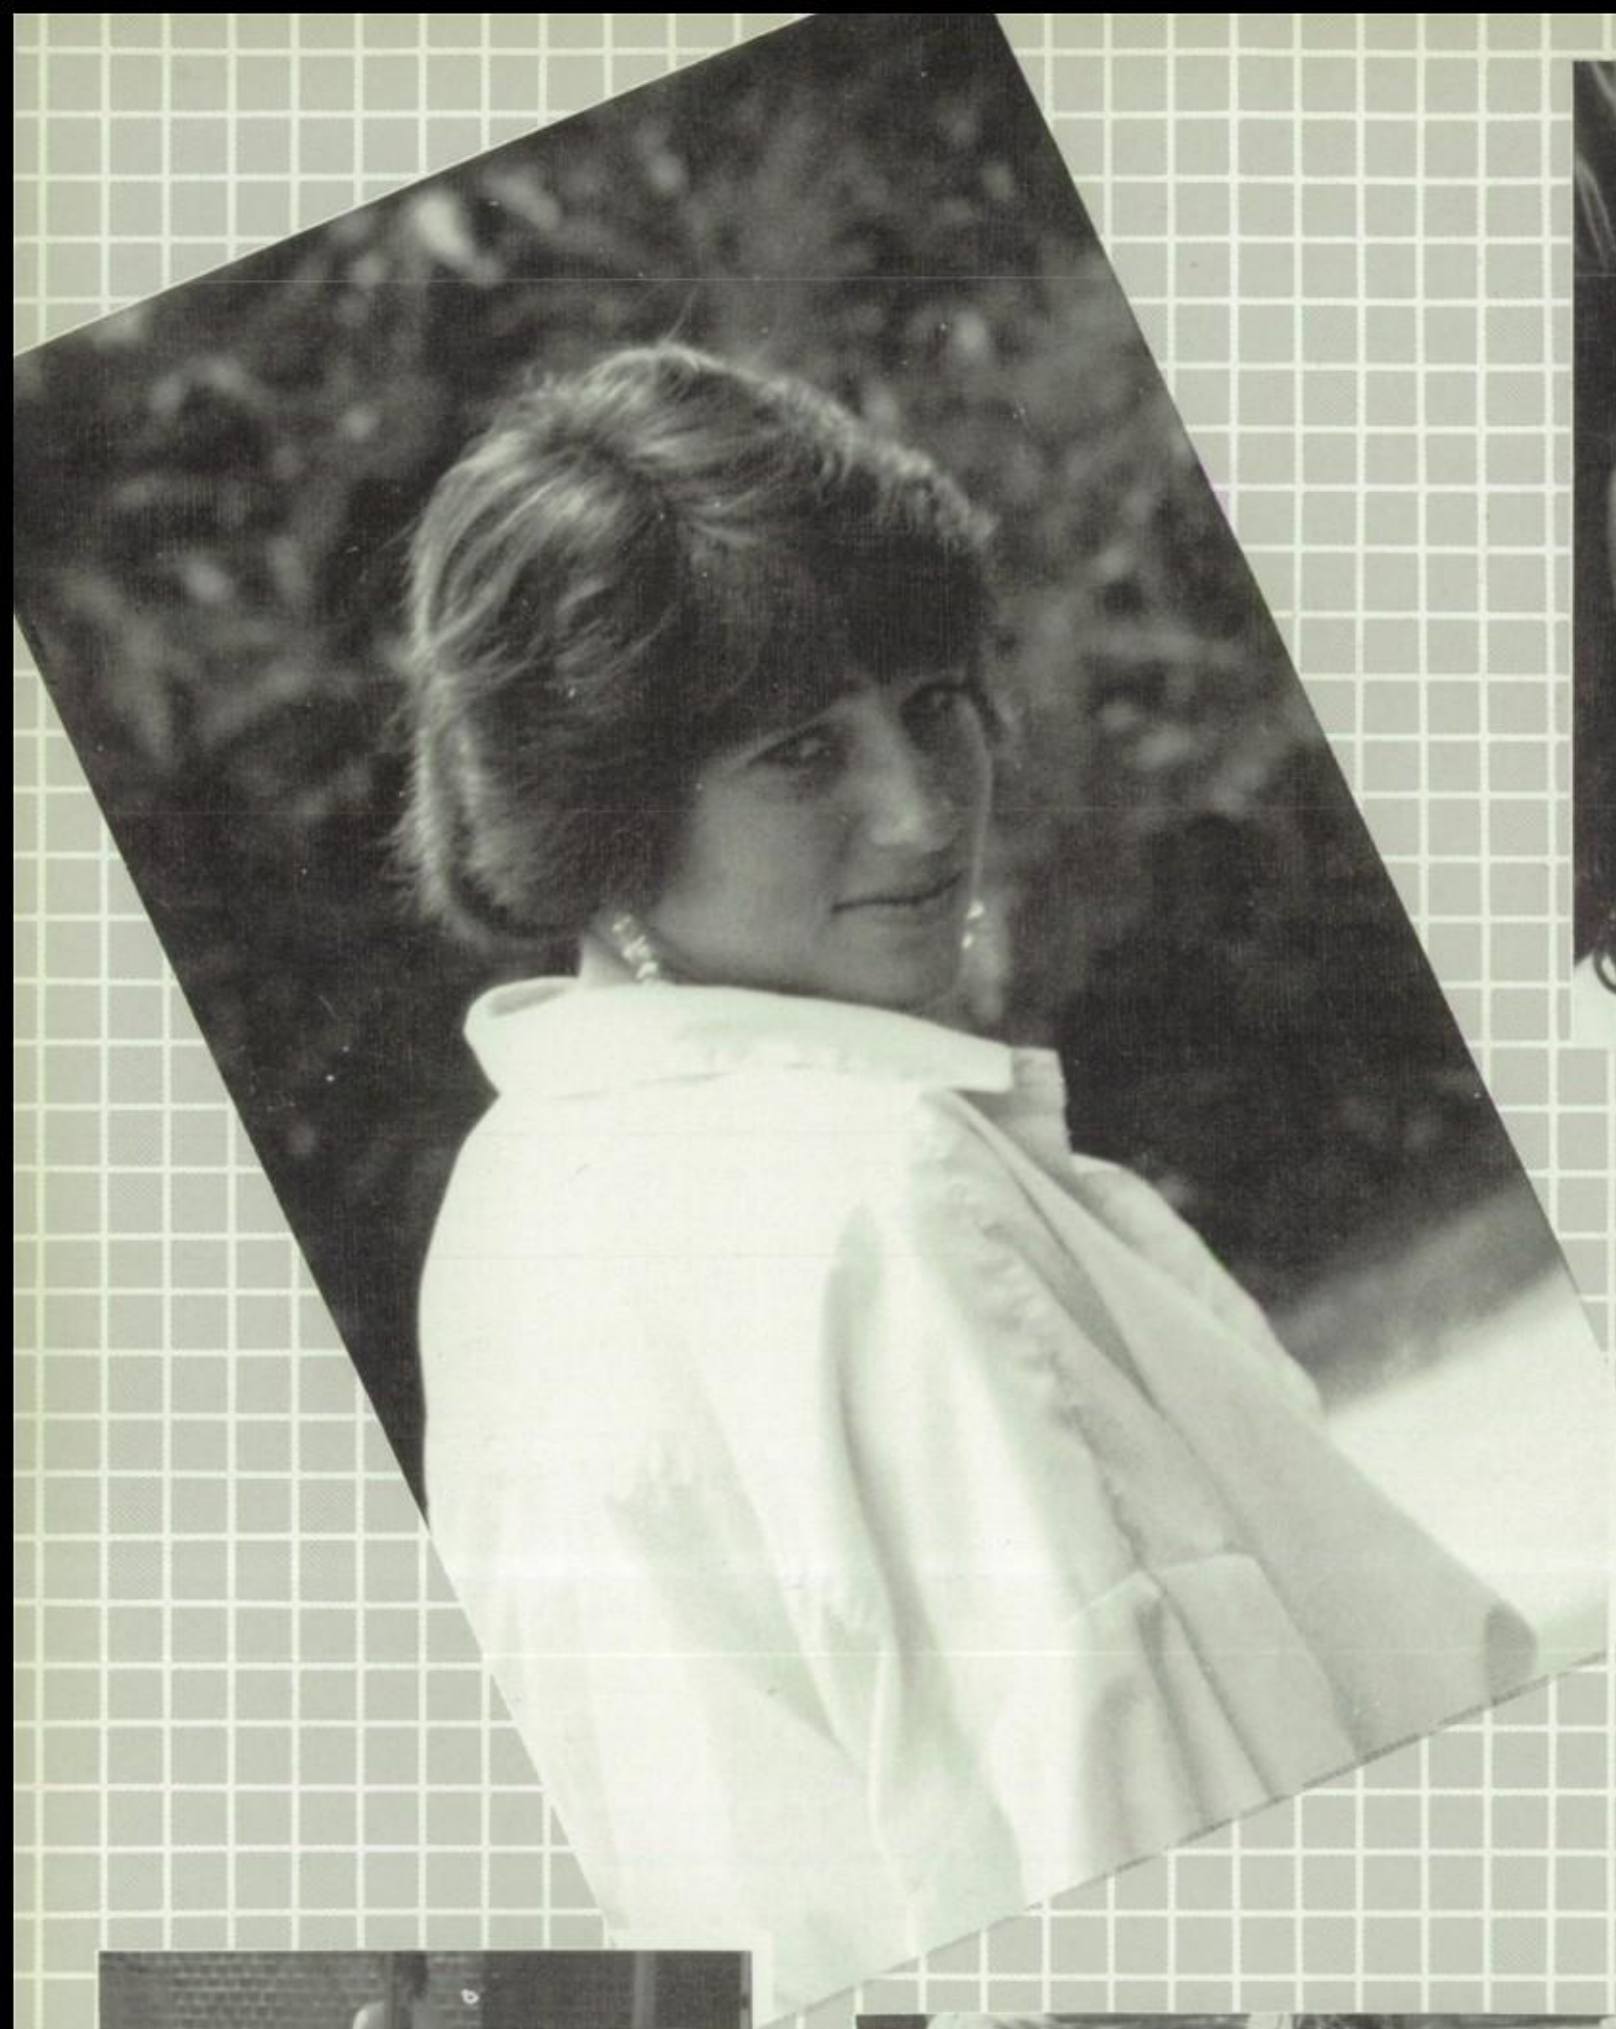

Where is all the laughter,
And all the tears we cried,
Did they drift away from us,
Or are they kept inside.

Where is that special feeling,
The one that we all shared ...
The hug when we were feeling down,
The reason that we cared.

The feeling is called friendship,
And it's what keeps us going,
It's what we will become,
And helps us while we're growing.

The Girls Varsity Volleyball team finished the league 13-1. They were league co-champions with Claremont. They made it to C.I.F. but lost to Brawley in the first round. This year's team was probably the best team I have had. The girls were very very close and worked hard together through the season. I wish I could have them all back next year. The seniors will be missed dearly, with the juniors I have coming back I am looking forward to another good season next year.

Steve Kreps and Bill Bowman were elected co-captains, while Chris Asquith was selected as most improved. Alec Gerry won the most inspirational award, while Joey Bучcheri was the most valuable runner.

The 1984 ALHS Girls Varsity Cross-Country team emerged as the best team ever in the history of ALHS. They won their fourth consecutive league championship and finished fifth in C.I.F., the best in the 21-year history of ALHS. The "Lady Braves" were led by twins Patty & Terry Woodside, with a strong supporting cast of juniors, Jenny McClure and Lori Taylor. Freshman Judy Uribe, sophs Kathy Loomis and Angie Frazier, along with senior Jill Binnall made up a strong CIF team. This year's team was very successful in continuing a proud and successful tradition at Alta Loma High School.

Varsity Tennis for the 84-85 season was a building year. The team had lost several good players from previous season which weakened us from an ability standpoint, but certainly not in spirit. We planned a "learning" season and greatly accomplished this. Next year with all but one player returning, we'll fair much better.

The 1984 Varsity Water Polo Team was excellent this year. Coach Thornhill stated, "This is probably the best water polo team Alta Loma has had." Their hopes and expectations were to take league and go to CIF. The team came in third place and for the first time at Alta Loma, went to CIF. Thank You 1984 Varsity Water Polo Team for making this year GREAT!

The 84-85 Season has been a different one. The new players and the old players had to combine their skills to work together as a team. Throughout the season I showed them, how to use their skill to the best of their ability, to always keep trying and never have bad sportsmanship. This season we learned that nothing comes easy and only the team and I can change, or improve anything with a lot of support and help from the parents.

"Winners" best describes the 1984-85 Varsity Girls Soccer Team. After several unforeseen injuries, the team never gave up, when it would have been the easiest thing to do. Battling all the way, they again earned a C.I.F. "play-off" spot for the fourth year in succession. This competitive spirit is a tribute to the seniors on the team (the real leaders). With the class of 1985 goes not only leadership, but dedication, hard work, and a true love of the game of soccer. With the class of 1985 a tradition was established — "Winners". For they never played a losing season. With the class of 1985, setting the example, Alta Loma Girls Soccer will always be Winners!

Being my first year coaching at Alta Loma High School I can say it was one of the best teams I've ever coached. We started out with a rather young team which grew, along with its talents, as the season progresses. Seeing most of the girls will be coming back, judging from this year, I know the '85-'86 team will be even better. I would definitely like to add I'm glad to have had the privilege of coaching seniors Ruthie Rush and Stephanie Harkey since this was their last year. This group was truly enjoyable to coach and if possible I will look forward to coaching the Alta Loma team next year. The girls ended the season placing third in the play-offs and I really feel they learned a lot. Again I'd like to say it was really a pleasure coaching the 1984-85 girls basketball team.

Alta Loma Boys Tennis is looking forward to a successful season. As of this writing we are 7 and 3 overall and 3 and 2 in league. Our goals for the season are to build team unity, restore pride and spirit to our tennis program. Our long term goals are to: increase interest in tennis on campus. Become increasingly competitive in our league. Eventually become a main contender for the Baseline League Championship. We hope to establish the same winning tradition in Tennis that so many of our other sports have enjoyed over the years.

Of course we expected to win! We anticipated making CIF times. We wondered what the predominately freshman team would achieve. Most of all we wanted to reach inside ourselves . . . to push back the barriers of our own limitations and convert them to seconds and tenths of seconds dropped from our times.

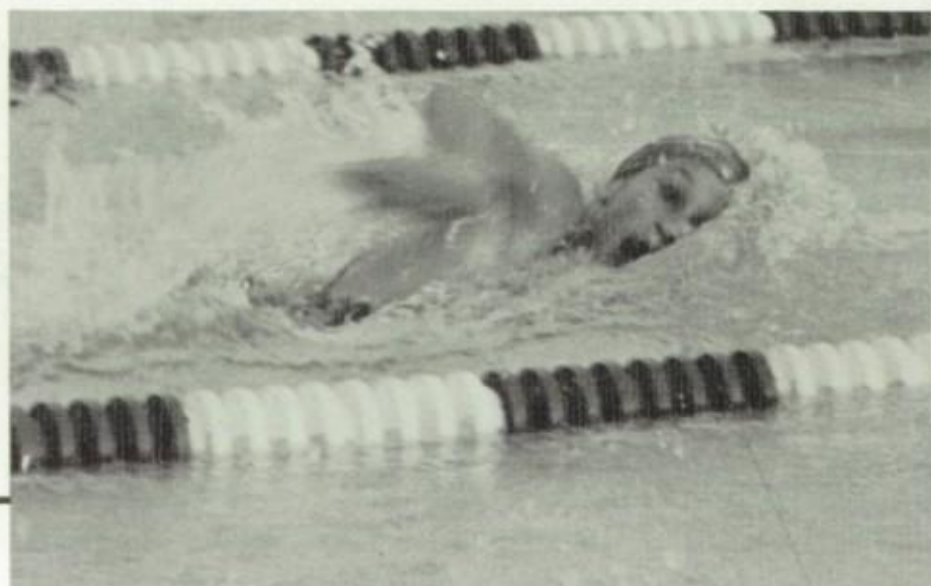

We wanted to make our school proud.

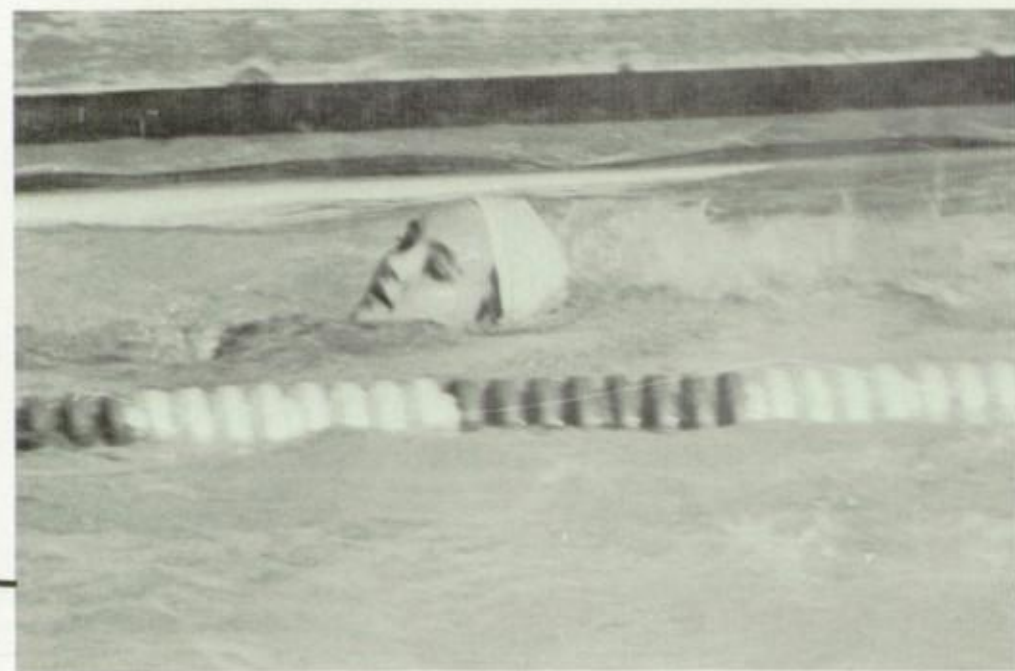

And after we had endured the yardage and the elements, we mostly wanted to achieve a feeling of Esprit de Corps. Because in the years to come, when we look back, what the uncompromising dedication and effort earned for us most was finding in ourselves more than we knew was there and sharing that with girls in a common bond. And wasn't that, after all . . . the final victory?!

This year's varsity swim team is the best team that A.L.H.S. has had. They are a very dedicated team, working out six days a week. Our competition in league will be Claremont, Glendora, and Damien (last year's league champion). At this point in time the team beat Claremont 92 to 82 for the first time since the league formed. They finished in 2nd place at the Romona Sprint Meet behind a major aquatic power — Riverside North. We should have our medley in CIF and two individuals — Marc Rhodes — 50, 100 Freestyle, Kurt Burger — 100 Breaststroke. The Alta Loma High School Track and Field will have a successful season. We are strong in all three areas, sprints, distances, and field events. In our first meet we took a close second in a 15 school meet. In our second meet, a dual meet with Montclair, we won 91-36. The rest of our dual meets are with League competition, and along with Upland and Pomona, we are considered as contenders in league champions. Our final goal is to qualify as many athletes as possible in C.I.F. competition. I believe we may have C.I.F. competition in at least 9 of the 16 events.

As Co-Champions of the Baseline League in 1984 we hope to duplicate this accomplishment again in 1985. All but one of the 1984 team is back so with the added maturity, experience & strength it looks as though we have a very good chance to do it again.

I would like to think they will learn more than just run, jump or throw better than anyone. I would like to think that they'll learn things that will carry over into life itself. I've had most of the seniors since they were freshmen. It will be sad to see them leave. Yet I feel, they will be able to handle themselves better because of their experience. Best of Luck, Girls.

To My Special Friends In The Class of '85'
 We've known each other through good and bad times
 We've seen each other happy and sad
 We've listened to each others most intelligent words
 and we listened to all the nonsense
 We've been together for all the fun and together
 when we were completely miserable
 We've watched one another laugh and cry
 We've understood one another when what we were
 doing was right and even when we made mistakes
 But most of all we gave each other support and
 were always ready to share thoughts together...
 As one group we shared a special friendship—
 THANKS MOST OF ALL FOR SHARING YOURSELF + YOUR DREAMS!

 shared many good times together, and I
 will never forget the memories that I
 have. I want to thank all of my special
 friends ~ S.S, P.D, N.B, B.S, L.F, C.G, M.W,
 and J.R. you have all been super

 made high school bearable. Mr. Grasso,
 I want to thank you for being such a
 good friend to me, and for always
 making me smile. Thanks Mr. Harrison

 I worked so hard for. (haha) I also

 the whole world - Dawn, who has always
 been there for me. Our friendship will
 last forever! ~~~~~
